STEREO RADIO

Now you can have top quality stereo sound in your 1958-66 Studebaker or 1963-early Avanti II without cutting the dash. Our custom designed stereo radios fit right in the dash opening, use the factory faceplate. Our front and rear stereo speakers also fit in existing speaker openings and give great stereo sound without having to cut any holes. Use your original bezel. Speakers and bezel are not included with radio.
